

# EDLONG® DAIRY LINK SERVICE AT YOUR FINGERTIPS

Ealong Dairy Link is your connection to the finest concentrated dairy flavors available to the global food community. With a click of your mouse, you are steps away from sourcing the widest variety of cheese, butter and other dairy flavors to provide the results you and your customers are seeking.

## MY FLAVORS

Through access to Ealong Dairy Link, you can immediately search for the flavors you need. Search by requirements such as profile, type or restrictions and save your selections in your "My Flavors" cart. A record of your flavor selections will be saved, so each time you come back your flavors are only a click away.

## SAMPLES

Ordering a sample is easier than ever before. Simply find the flavor you like and click the sample request button. Our sample services department will immediately receive your choices and ship them to you as soon as possible.

## DOCUMENTATION

Looking for specifications or an MSDS? Ealong Dairy Link is your direct connection to the documentation that you and your customers may need. Find updated Kosher Certificates, Material Safety Data Sheets, Allergen Statements and Specification Sheets. All documents are available in .pdf format for your records.

## WHERE SERVICE IS A LIFESTYLE™

Ealong.com is an extension of the superior service you have come to expect for over 92 years. Our commitment to you is to provide the highest quality concentrated dairy flavors, with the #1 rated customer service in the food industry. Service truly is our lifestyle at Ealong.
